NEWS – STORIES - EVENTS

FROM THE DESK:

With all the changes happening all around us, it's fantastic to have some things that are staying the same. Summer is on the way!

Spring is in full swing, and it's been great to enjoy the sunshine, seeing the ice come off the lake, getting out on the bike – but with all those things happening we know that summer is just around the corner.

It might not be exactly the same – but we are in the midst of planning our summer 5-Day Club programs. This summer we will be reaching kids across Canada as part of a joint ministry with other CEF chapters across the country.

Even though some things are not regular, we still have the chance to reach kids with the Gospel, and for that opportunity, we are excited.

1

PREP

SPECIAL PRAYER

With things still not back to “normal”, continue to pray for the children this summer.

Pray that they would have the opportunity to know God, who is not surprised by what is happening. And that they would trust that He has a plan to use this all for His glory.

STAFF FOCUS

Andrew: Continue to pray for summer ministry as the team finalizes the program, as we plan for training, and as we book clubs with individuals and churches.

Betty: With all the uncertainties out there, it is a challenge looking for youth. Please pray for God's provision and that young people would be 44open to God's leading

Pray too that churches and individuals considering hosting a club would book soon.

Dennis & Pauline: As we prepare for summer and balance administrative duties in the office – pray for energy during this season. We are also looking forward to the summer and the kids we will meet.

SUMMER...

Over 40% of the children that we have in programs come to 5-Day Club during the summer.

This summer we are planning on having 5 weeks of 5-Day Club. Because of social distancing, we have made the decision to host these clubs online, but they will still happen live with a team of Summer Missionaries and a local host.

Our plan is that we will have 2 weeks of training at the beginning of July for our Summer Missionaries and then have a terrific summer at **Inventor Fuzzywigs Workshop**, where kids will hear Bible stories, enjoy songs, games, and have a terrific time. We will be sharing how people have been “made new” by following Jesus as we teach 2 Corinthians 5:17.

“...anyone who belongs to Christ has become a new person. The old life is gone, a new life has begun!”

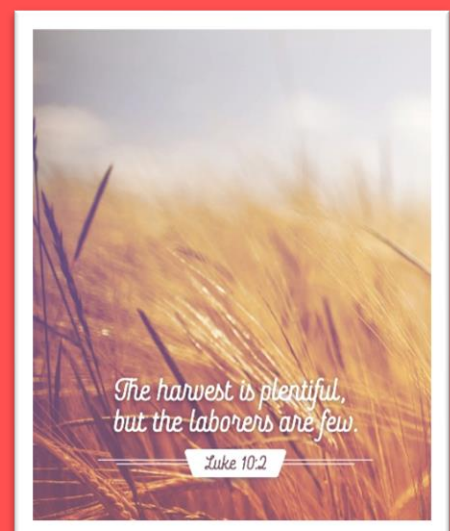

This is a joint ministry with others from across Canada and we will see kids from sea to sea hearing the Gospel and being challenged by what it means to be a follower of Christ. We have already begun to accept summer bookings for 5-Day Club, so if you would like more information on how you could host a club please be in contact with our office.

LUKE 10:2

This year as a worldwide initiative by CEF we are embracing the prayer of Luke 10:2 – that we would be able to see more workers join the harvest.

You are all co-labourers with us as you give, pray, and volunteer. We are all in this together since one part cannot function without the other. Pray with us that more people would join us and share the Gospel with children here in BC.

STORIES:

Why do we put so much effort into this season?

“There are several children who really stand out to me. Sarah who accepted the Lord on her way home from club on Friday. One of the girls who was so excited because she got the right answer to a question. And we handed out bibles on Wednesday and Tamara was so excited to receive hers that she sat down and started to read it right away. These children are so hungry to hear of God’s love. Pray that they understand and come to a saving knowledge of Him.”

“It was a blessing to serve in this community complex. It was fascinating to see how outgoing the children were towards us, as well as their excitement and enthusiasm to join our club. This week, I had the blessing of seeing God work around barriers and obstacles. I heard the loud and clear singing voice of one girl who recently moved to Canada and has limited English. I saw the dedicated actions of a boy who was often goofing around. I also witnessed an older boy praising God during worship with his whole heart and in that moment, not caring about what others thought ... I know that God is working in marvelous ways in each and every one of their precious hearts.”

WELCOME BACK!

We would like to take this opportunity to introduce you to Kalena Gunn. She is joining us this summer as an Intern, after serving with us in two previous summers. Kalena has a heart for reaching kids and we are excited that she is on board. Please remember her in prayer as she is already hard at work helping put the finishing touches on the summer curriculum, and then will be busy with training and teaching all summer.

GET INVOLVED:

We are still looking for people to join our summer team as **Summer Missionaries**. Are you passionate about reaching local children and looking for an opportunity to teach, grow, and be challenged this summer? **We are looking for people who: Love God, love kids, and want to share the Gospel.**

We would love to see **over 500 children** in over **30 events** this summer. Our team has started to come together, but we need **YOU!** We need Summer Missionaries to teach and folks to host clubs. We would love to see clubs hosted all over the province – on the Island, in the Okanagan, Lower Mainland, the Kootenays, Cariboo Chilcotin, and the North. Of course, to make this happen, we need **YOU!** We need people to pray, to teach, to host, and to give. **How can you be involved?**
