NEWS – STORIES - EVENTS

From the Desk:

This summer has been a whirlwind so far! Since deciding to move all our summer 5-Day Club programs online – we joined with CEF Ontario to develop the curriculum, hire and train our staff, and book clubs. It has been a great experience as we work together across our country. We have clubs scheduled from coast to coast, trained over 30 Summer Missionaries, and clubs started today! If you had asked me a couple months ago what the summer was going to look like – I'm not sure I would have had a clear picture. But we will be having 5 weeks of ministry. Our team will be having club each day and taking the Gospel into the homes of so many children.

The fantastic thing is that we as a team can't take credit for it at all – they are all gifts from God.

Prayer Requests from the CEF Summer Team

1. Pray for the children as they come to 5-Day Club. Pray for open hearts to the message.
2. Pray for the Summer Missionaries that they will stay rested and healthy as they teach and interact with children all summer long.
3. Pray for the staff as they support the clubs and make plans for ministry in the fall.

Summer Stories...

Kalena, our summer intern, said:

"This past week I had the blessing of being a part of Estella's work group. Counter to what I had planned for, I ended up needing to attend the whole duration of each day as I got partnered up to practice leading club with a SM. Furthermore, I got assigned to lead a work group from Manitoba this week. I also had the pleasure of filling in for a SM and taught a club this morning. All of these added events on my calendar consume a lot of study time and threaten to cause stress and anxiety to rise up in me. And while there is a small bit of uncertainty in how prepared I'll be for my midterm, I am mostly reassured by faith that the work I have done is bigger than my grades and that my life is under the control of the one in charge of the universe."

Be Inspired...

We have just finished our first week of Online 5-Day clubs and have been encouraged by what we've been hearing from the field!

"We are so thankful that we are still able to connect with our boys and girls through the CEF online 5-Day Club. The missionaries are always well prepared in presenting the truth of God's Word and the children love the games and songs. It is wonderful that during this time of restrictions we can still use technology to share God's love." -Sandra, Online 5-Day Club host, Hartford

"I must say I LOVE what I am seeing. It is so organized and addresses every area of planning and executing the programme." -Shauna, Online 5-Day Club host, Jamaica

Join us in praying for the Summer Missionaries as they present the lessons, music, games, and all the other things they have prepared in our 5-Day Club® program for these children and their families. Pray for the children as they come, many who this summer will be their first-time hearing about God and all He has done. We want children to hear our theme verse and know that they can "Trust in the Lord with all [their] heart" (Proverbs 3:5) We want kids to take this message for themselves this summer.

Thank you, once again, for making it possible for these clubs to happen and for being a part of what is happening here in BC. Have a great remainder of your summer and I look forward to passing on remarkable stories and reports, after we have an incredible summer.
