NEWS – STORIES - EVENTS

Opportunities all around...

Most of the kids here in BC are growing up without hearing about Jesus, and what He has already done for them. You and I must start today to reach the boys and girls here in BC. By not starting today, we will lose a generation who don't know God. You have an opportunity to tell this generations kids about Jesus.

This summer, after training, we had 22 young people geared up to teach boys and girls across Canada. It was amazing to see their enthusiasm and commitment to the Gospel. It is amazing to me how effective people can be when they are excited about the message that they carry.

When we, as a family, transition back into the fall, it's a shock to the system. People are up earlier, the days are shorter, the week seems full of activities, and we have a hard time catching our breath. In the midst of our week, we need to realize that there are kids all around us that need to hear about how much God cares for them.

You and I have a list of commitments and limited energy, but we need, just like in the summer, people who want to engage with kids, establish clubs, and who want to build into this generation of kids.

If you want to have an impact on the kids that you see around you; at the school, playground, arena, or street – what will you be willing to do?

This summer, as always, was a great reminder of what God is able to do. By going online to where kids were, we had clubs across Canada. Where are the kids around you this fall that you can reach?

Remember the Many, Many Ways

This summer CEF
of BC
partnered
with
CEFOntario
and CEF Manitoba

to do 5-day Clubs® online. Even though we were online, God did amazing things as we explored the 'Wonders of the Amazon' and learned about God's love together.

God blessed us with the honour of reaching **over 940 children** with the gospel, partnering with **27 churches**, having **39 clubs**, and working with **22 CREW** as summer missionaries. These numbers represent real people with real stories.

Through our 7-day training and as the summer missionaries taught in the field, it was so encouraging to watch God grow and transform the CREW both in their spiritual walk and in their teaching. They recognized it too:

"God filled me with the Holy Spirit [and] helped me be more confident while I was telling the children about the Good News." - Keren Roberts, Ontario

"God helped guide Aishat and I to effectively teach the children [during club]" - Erin Ching, British Columbia

God worked powerfully – both in the CREW and through them as they ministered to the children. So how did God work in the lives of the children?

Many children eagerly answered the review game questions, even if it seemed like they weren't paying attention during club. God's Word was hidden in their hearts as some children said the Bible verse with confidence and without any help. Even a 5-year-old remembered 1 John 4:8, "God is love!"

15 children were counselled for salvation! One CREW reported:

"A saved child came forward, who asked, 'so, I don't have to do anything else to be forgiven?' It was so encouraging to be able to assure her of her salvation."

God was also raising up missionaries from these children. One boy invited 3 of his friends and asked where they were when he didn't see them. A girl from China joined us, but she was invited by another child! One child wanted to share about Jesus to her grandfather. Another girl wanted to be a missionary in Korea and another wanted to be a missionary in Turkey because she was sad that Muslims were dying without knowing Jesus!

This is just some of the ways God has worked. When life gets hard, may we remember the many, many ways that God has answered prayer. Praise God

From the Churches

“One fellow ... in Grade 6 has announced to his family that he wants to be a missionary. So that is quite cool. Thanks for making it possible for us to have this program this summer.”

- Marnie, Pine Grove Bible Church, ON

“We enjoyed an incredible week of 5-Day Club! Thank you for your help in answering my questions over the months leading up to club. For the children, it was an exciting week learning more about Christ’s love for them!”

- Marion, Revelstoke Baptist Church, BC

This Fall...

With kids and teachers back to school it means it is time for clubs to start ramping up. This year there is a new club happening in Prince George. Betty will be spearheading a new initiative in the city to reach pre-teen and early teen kids – those who are too old for the regular KidsZone.

This will be a weekly program with Bible study, relationship building, and, of course, snacks and lots of fun. Please pray for Betty and the team as they take on this club. And perhaps you know of someone that would like to attend.
