Winter 2022

Happy New Year!

With a new year just having started the Adventure is out in front of us. As a staff we were chatting last week about some of the possibilities for this coming year. We spoke about new STEM clubs, in-person 5-Day clubs this summer, spring events where we can see you and tell you what's happening, possibilities of training local teachers, and the list goes on.

There are so many adventures that God wants to take each of us on, and I am thankful that you are part of our team and on this adventure with us. There are even more adventures that God will take us on this year that we don't even know about yet. Would you take a moment now just to pray about this year and where God will be leading us? Thank you.

I think it would be easy to look around at our current world or personal circumstances and be discouraged. We have each, over the past couple years, had times of despair. But this is not the state that God wants us to dwell in. He would have us living our lives in a state of hope. Hope for the adventure that is about to begin.

So, I am optimistic once again as we enter this year, looking forward to where God will take us.

Optimistic about the opportunities we will have. And most of all, I am excited about the kids we will meet that will get to hear about Jesus because of this ministry. This year has started with many things to celebrate. Join us as this adventure begins and we move into 2022, seeing what God has for us to do.

## ***The Great Australian Tour! An EPIC encounter with Jesus!***

Plans for the summer are underway and our intention is to have live, in-person clubs where kids will explore the wondrous continent of Australia and have an EPIC encounter with Jesus!

We are praying for church partners, hosts, and teachers. If you could fill any of those rolls, please reach out to us.

### ***Prayer Groups***

**We had the great joy of having a prayer group join us at the end of the year. They will be meeting in the Fraser Valley each week to pray for the ministry.**

**Do you have a desire to pray for the ministry? Could you organize a small group of people to meet weekly or monthly to pray for the ministry of CEF?**

**If you would like additional information about Prayer Groups, call Pauline at 604.576.7796**

### ***Club Story:***

A prayer of praise for Sonja joining us last week at the Junior Youth Challenge club. She was so excited to be back that she ran into the room, almost non-stop talking!

She has been keeping up with her Bible reading while out of club and was fully participating in the study time during club. Thank you for praying for her.

Pray that Sonya will have the courage to share her faith with her family and friends.

### ***Help Wanted:***

**Do you have a desire to see boys and girls know about Jesus? Would you consider joining our team?**

**We are in need of people to join our team for direct ministry to kids, promotion, and administration. We are looking for full-time, part-time, or volunteer staff.**

**Email Andrew direct at [andrewq@cefbc.com](mailto:andrewq@cefbc.com) if interested.**
