NEWS – STORIES - EVENTS

## From the Desk

With the kids back at school and rain in the forecast, fall has arrived (as much as I hate to admit it) and summer is starting to feel like a memory. It was fantastic to be back in person for Summer Ministry Training (SMT) as well as the 5-Day Clubs and to hear and see how much the kids enjoyed The Great Australian Tour.

We now turn our attention to the school year, with programs in the planning stages (summer 2023 is just around the corner), conferences, retreats, and weekend ministry. We are still looking for a few locations for STEM club as well.

At this time of year when we are making our plans, I am reminded that we must put our trust in the Lord and that He will show us what direction to take. Keep praying with us as we follow the way that God wants us to go.

# Summer

This summer, as always, was a great reminder of what God is able to do. God blessed us with the honour of **reaching children** with the gospel, **partnering with churches**, having **in-person clubs**, and working with our **CREW** as summer missionaries. Because of you supporting and praying there have been children across the province who heard the Gospel for the very first time.

One club reported:

“The kids really enjoyed their backyard Australian adventure! The team were amazing tour guides! The kids listened to the missionary story and made fairy bread. Thanks for the good teaching tools!”

A CREW Member said:

“God helped guide my partner and I to effectively teach the children during club.”

God worked powerfully – both in the CREW and through them as they ministered to the children.

So how did God work in the lives of the children?

“The kids sat with wrapped attention during the stories, sang the songs enthusiastically, and were eager to answer the questions during the review game. It was a joy to see the kids so engaged and excited to come to club.”

“Even the smallest children came ready to say their memory verses and to receive their stickers from Miss Ainsley. I was blessed to see the children learning God’s Word.”

With so many children growing up in BC without hearing the Gospel, we have a clear mission laid out before us. We need to share the life changing message of Jesus across our province. Is there a way that you can be a part of what is happening? We are looking forward this fall to the open doors, both new and old, that exist to share the Gospel.

## Prayer Groups

Since *‘Prayer is our Priority’* we have set a goal to start 5 new regional prayer groups this year. Would you consider being a part of a team who prays together regularly for the kids in your community? If you are interested in receiving more information about this initiative, please contact us through our website or by phone.

# STEM Club

We are excited to share a new program this fall - STEM Club! During this weekly club kids will get to be hands on with STEM equipment, while hearing how God is at work through people of science.

We are looking for churches both in the lower mainland and in Prince George to run this program through this fall and winter. If you are interested in hearing more about this program – contact us at the CEF of BC provincial office.

# LUKE 10:2

This year we will continue to embrace the prayer of Luke 10:2 – that we would be able to see more *workers join the harvest*.

You are all co-labourers with us as you give, pray, and volunteer. We are all in this together since one part cannot function without the other. Pray with us that more people would join us and share the Gospel with children here in BC.
