NEWS – STORIES - EVENTS

Because of you....

Summer is upon us, and we have an interesting mix of ministries happening this season. We have 5-Day Club programs, weekend conferences, and STEM Club taking place in the next couple months. With preparation still in full swing in the office, 5-Day Club programs have already started. And for many of the kids in these programs, it will be the first time they attend an event that shares the Gospel.

I trust that you will be encouraged, the same as us, when we hear about the kids who are at club, and we know that they are having a great time and **Exploring God's Grace**. Like the email we received on Monday from a teacher in the Okanagan, "We had 19 kids show up today!!! Looking forward to tomorrow." What a blessing to have these kids at club!

And Ainsley, our summer intern said, "I'm looking forward to seeing how excited the kids are each time they come to club and being able to connect with them."

PRAYER REQUESTS

Pray for energy as all our staff instruct, supervise, follow-up, and set up ministry for the fall.

Summer Stories...

It is encouraging to see the team get out onto the field and start to share the materials and lessons that they have prepared with the kids at club. We also love to hear that the kids attending club are having a great time.

We look forward to many more stories and testimonies coming out this summer and we look forward to hear testimonies like this:

“It was so much fun to host a 5-Day Club®! Just to see the excitement of the boys and girls in anticipation for another day of children excited about hearing

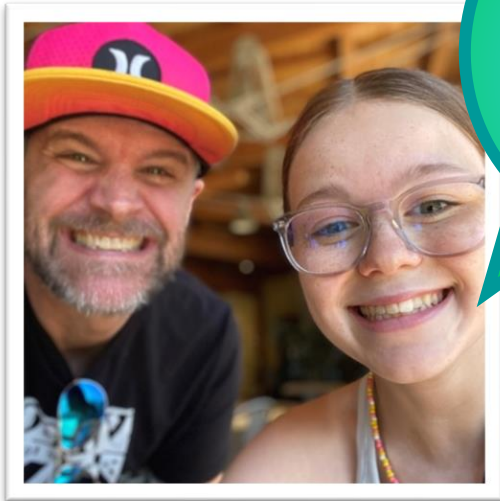

“...the kids were very enthusiastic!”

club was priceless. All those unchurched the word of God, running up and down the street to meet the team and their active participation in the songs, games, stories... ahhh it was all great!! Loved it!!”

Thank you for making it possible for this training to happen and being a part of the clubs that are happening here in BC.

Have a great summer and I look forward to passing on remarkable stories and reports. **Check out our Facebook page for more pictures and stories from this summer!** www.facebook.com/bccef
