SPRING HAS SPRUNG!

My wife, Kim, and I had the opportunity to travel to Victoria during the February long-weekend. It was great to be able to re-connect between seasons of ministry.

One of the things we took note of as we wandered around town was that the flowers were not wasting any time in sprouting this year. They were ready – even in mid-February.

It made me think of the children that we are trying to reach with the Gospel. These little ones (and some not so little) are ready to hear the Good News. Let's not make them wait!

We know that most people who decide to follow Jesus do so as a child. Now is the best time to be reaching boys and girls.

PRAY FOR WORKERS

This year we are praying that we would see more workers join the harvest.

We are all in this together since one part cannot function without the other. Pray with us that more people would join us and share the Gospel with children here in BC.

We need an office administrator as well as a local director for the lower mainland.

SPECIAL PRAYER

1. We are in need of staff, particularly an office administrator.
2. For children to hear the Gospel for the first time in STEM and 5-Day Clubs in 2024
3. Continue to pray for Gwen, the Canadian National Director. She has returned home to continue her recovery, but recently lost her husband James to cancer. Pray for her and her family during this trying time.

STEM CLUB

STEM Club! runs during the school year and uses teaching and activities to share the Gospel. Clubs include discipleship and time to engage with STEM equipment.

We are happy to announce another club that will be starting this fall in Richmond. We always look forward to hearing stories and seeing pictures from the other clubs going on.

Please continue to pray that new boys and girls would come to club and hear about God, who made all the wonders that are around us. Maybe your church would you like to start one too!
