Because of you...

We were able to connect over 20 communities and churches to the 5-Day Club program, which resulted in hundreds of children hearing the Good News. From the Lower Mainland over to the Okanagan, to the Cariboo, and up into the Northeast of our province, children were in clubs this summer. There were also a few weeks of STEMcation for kids to enjoy this summer as well. What a blast!

One leader said “I wish club went for 2 weeks!” The kids and leaders alike had a great summer. As videos, pictures, and reports continue to come in, we can celebrate what God has done, once again, across our province. He continues to provide more than what we can imagine or ask for.

May I introduce...

It is my pleasure to introduce you to the newest member of the CEF BC team, Emily Vandop. Emily is a part-time student and will also be working as our Office Administrator. Please join me in extending a warm welcome to Emily.

Prayer and Praise

1. Praise God for the good progress in getting ready for the new year of STEM Club! as 3 clubs get started this month.
2. Groups have been meeting in preparation for STEM Club! to begin. Pray that the teams will bond quickly, and that Christ's love will be evident in our lives.
3. Pray for the children as they come to club. Pray that their hearts and minds will be open to receiving God's Word.
4. Praise God for the addition of Emily to our team and pray as we look to add to our team of staff.

STEM

With the leaves quickly changing colour and kids back to school, we are excited as STEM Club! kicks off this month. We appreciate our church partners and I look forward to sharing their stories with you as the year goes on.

Please join us in prayer as we present the opportunity of STEM Club! to other churches. Pray that they would be as excited as we are, to reach community kids with the Gospel.

Christmas

Christmas will be here before you know it and we already have a gift for you.

We would like to give you a **FREE** Christmas Party Club!

In the Light of the Life Christmas Party Club, children will learn how God created and used light in amazing ways to announce the birth of the Saviour.

If you would like a Christmas Party Club, contact our office.

Help Wanted

We are looking to add to our team! We need...

Ministry Associates

This role is designed to grow relationships with existing churches and individuals, assist in the launching of new programs, and the development of volunteers.

We need to share the life changing message of Jesus across our province. Is there a way that you can be a part of what is happening?
