Because of you....

As we step into this promising new year, we are filled with gratitude for your unwavering support of ministering to kids. Your dedication has empowered us to make a profound impact on young lives, and we are thrilled to share our vision for the year ahead.

The past year, through your generosity, we were able to expand our programs, enriching the lives of kids. Whether through Christmas Party Clubs, weekly clubs, or conferences, kids found places they could grow and learn about God, and teachers were encouraged and challenged to reach kids.

Thank you for being a part of our journey. Together we have made this past year one filled with hope, growth, and endless possibilities for the children we serve.

PLANS FOR 2025

As we look ahead to the coming months, our hearts are filled with hope and anticipation. We have goals to deepen our impact, plans to increase clubs, add to our staff team, and reach even more children.

None of our plans would be possible without the partnerships we have forged along the way. From local churches to dedicated volunteers, each partner plays a crucial role in our mission.

We are excited to strengthen these collaborations and welcome new allies who share our passion.

Together, as we embark on this new chapter, we invite you to join us once again in making a difference. Your continued support through donations, volunteerism, and advocacy enables us to expand our reach and transform more young lives. Together, we can create lasting change.

Warm regards,

Andrew

Christmas Party Clubs:

With **26 communities** in BC receiving the Christmas Party Club, the clubs were amazing across our province and went very well during the month of December. Hundreds of kids came out and heard about God's plan and love for them.

"The neighbourhood was blitzed with flyers and the children from the church also invited. We were surprised at such a small number of kids who attended but we trusted the Lord. The Lord had exactly that small handful for a reason.

The Lord brought little Karson out, from just down the road. They found their invite in the mailbox. His father came with him bringing the crumpled-up flyer to the registration table. Karson's dad shared with me that they are going through a very tough time. Later he shared with another volunteer that his wife had left them, and they are broken hearted.

Karson wanted to sit with his dad at the back but halfway through club, he came and sat with the other children and began answering questions. And enjoyed the review game.

We plan to connect with this dad, Jeff and Karson this week, bring them a plate of Christmas baking and connect with them."

SUMMER UPDATE

This summer kids will be going on a **Intergalactic Voyage: Discovering God's Greatness** through our 5-Day Club.

This ministry reaches hundreds of children each summer here in BC. Join us in praying for hosts, teachers, and church partners. You could be one of these people.

Let's make 2025 amazing!
