SPRING...

Winter is done (hopefully) and with spring arriving and the Easter season just around the corner, it is a fantastic time for us to reflect on what God has done over these past seasons. It is also a time for us to look forward to what He has for us as we move forward.

CEF of BC's journey today has been both challenging and rewarding as we remain inspired by our mission to reach each boy and girl with the Gospel. We have seen many changes over the years and anticipate even more as we journey into the future, for the need is ever present here in BC. We will continue to push forward in introducing kids to God and explaining what He has done for them.

We know that most people who decide to follow Jesus do so as a child. Now is the best time to be reaching boys and girls.

EASTER PARTY CLUB

Use the upcoming Easter season to share the special message of Jesus with kids in your community or church.

SPECIAL PRAYER

This year we are praying that we will see more workers join the harvest.

We are in this together since one part cannot function without the other.

5-DAY CLUB

Over 40% of the children that we have in programs come to 5-Day Club during the summer.

We have already begun to accept summer bookings for 5-Day Clubs with the program being in the works since last fall. Why do we put so much effort into this season?

One teacher said that “It was a blessing to serve in this community. It was fascinating to see how outgoing the children were towards us, as well as their excitement and enthusiasm to join our club.

This week, I had the blessing of seeing God work around barriers and obstacles

I heard the loud and clear singing voice of one girl who recently moved to Canada. I saw the dedicated actions of a boy who was often goofing around.

I also witnessed an older boy praising God during worship with his whole heart and in that moment, not caring about what others thought. I know that God is working in marvelous ways in each and every one of their precious hearts.”

This is why we put such efforts into 5-Day Club. So that each child who comes to club may have an encounter with the God of the universe that loves and cares for them.

Join us in praying for children like these and joining us this summer to teach or open your home to a 5-Day Club.
