BECAUSE OF YOU....

Once we are in our Summer Ministry Training it really starts to feel like summer.

This year we were able to have both an in-person training (for a few churches in the lower mainland) and an online training for those in other parts of the province. Both were fantastic as we were able to spend time with those preparing for ministry and to hear about their plans and excitement around clubs.

At the time of writing this there are clubs being planned for in Richmond, White Rock, Vancouver, Prince George, Fort St. John (Charlie Lake), Osoyoos, Ucluelet, and Dawson Creek.

I would ask that you be in prayer with us for this vital ministry season as boys and girls around BC hear about who God is and His love for them.

"I remember going to club as a kid. Having fun with the stories, games, and songs. I'm looking forward to sharing that experience with other kids."

"I came to training expecting to teach children. I'm now looking forward to it even more now, with understanding how to explain the Gospel to them. I know I can share it with everyone."

Thank you for making it possible for training and clubs to happen here in BC. We will have a fantastic summer and I look forward to passing on remarkable stories and reports.

SUMMER TEAM PRAYER REQUESTS

2. Pray for the boys and girls who have already been to club. Continue to pray as the Gospel works in their hearts.
3. Pray for the CREW Members (Summer Missionaries) that they will stay rested and healthy as they teach and interact with children all summer long.
4. Pray for the staff as they support the clubs and make plans for fall ministry.
5. Praise God for the children who have heard and responded to the Gospel in the first weeks of club.

SUMMER UPDATE

This summer kids are going on an **Intergalactic Voyage: Discovering God's Greatness** through our 5-Day Club.

This ministry reaches hundreds of children each summer here in BC. Join us in praying for hosts, teachers, and church partners.

"A young boy from just down the road was brought to club. They had found the invitation in the mailbox, and his dad brought him down to the club to register. God knew that at just this moment the little boy and his dad needed to hear about God's love. This little boy and his dad are going through a very tough time, but at just the right time they have been introduced to the God of the universe."

CLUBS

Pray for the Holy Spirit to be working in the hearts of children as they come to clubs.

CHRISTMAS PARTY CLUBS

Christmas in July? Well, we want to continue to reach kids throughout the year- not just 1 or 2 seasons.

Join us this December by reaching kids in your community with a party that introduces them to God.

SUMMER

Pray for the Summer Missionaries as they go out and share the Gospel with kids!

THROWBACK CORNER

We recently met Terry, who had been able to come to 5-Day Club back in the 1960's

He grew up in a non-Christian home, but his mom allowed him to go to a club when he was 5.

This was the start of a major change in Terry's life. He discovered who God was and heard about Jesus. Terry decided to follow Jesus for the rest of his life.

Terry went on to attend Bible school at Briarcrest and then became a pastor.

Praise God!
