## Because of you...

We had such a fantastic summer season of clubs, during which there were 5-Day Club, STEMcation, and preparations for STEM Club! this fall! Such a fantastic season of seeing kids enjoying the Intergalactic Voyage and watching leaders excited to get ready for ministry and to enthusiastically interact with the children during skits, music, small groups, and lessons. I wish you could all see the joy of club as the kids and leaders alike had a great summer!

With over 20 communities and churches involved in the 5-Day Club program, which resulted in hundreds of children hearing the Good News. From the Lower Mainland, over to the Okanagan, to the Cariboo, and up into the Northeast of our province, children were in clubs this summer. What a blast! Celebrate with us what God has done as He continues to provide more than what we can imagine or ask!

## Leaders said...

"These clubs made a difference in building community and stronger relationships between volunteers and with the kids."

"Children without previous knowledge of the Bible and Jesus, heard and became more aware of who God is. Members were more open and excited about ministry to children. Some couldn't believe their eyes that there were children in church!"

"I loved everything about the program. The schedule was packed with interactive and engaging activities. I felt grateful to be given the opportunity to be a part of the crew."

## Prayer and Praise

1. Praise God for the good progress in getting ready for the new year of STEM Club! as 3 clubs get started this month.
2. Groups have been meeting in preparation for STEM Club! to begin. Pray that the teams will bond quickly, and that Christ's love will be evident in our lives.
3. Pray for **ALL** the children's faith to grow and that their hearts and minds will be open to receiving God's Word. May the **LORD** raise teachers with hearts for the children as they come to club. Pray that the kid's hearts and minds will be **OPEN** to receiving God's Word.
