

Christmas 2025

Merry Christmas!

Christmas lights are beginning to brighten homes and streets across our neighbourhood, and my family loves to drive through and admire them. My wife and I recently attended a Christmas event and there were thousands of lights in the city square. What a spectacle! We caught sight of a little girl with her mom as they took in all the sights and sounds of the celebration, and the little girl's eyes were wide with excitement and joy. Watching this girl reminds me how powerful light is — not only to brighten a dark night but to point us to something greater.

This season, as I see the glow of lights in the windows and trees, I am reminded again that God used light to announce that His Son had come into the world. What joy to know that the true Light has come — Jesus — to bring hope and salvation to all who believe!

At CEF BC, we've seen that same Light shining in the lives of children across our province this year. Boys and girls have heard the good news of Jesus in clubs, at camps, and through faithful volunteers who have brought the message of hope into their communities.

As we celebrate this Christmas, my heart is overflowing with gratitude — for what God has done and for each of you who have prayed, given, and served to make it possible. You are part of His story in 2025, and together we rejoice that the Light of the World continues to shine brightly in the hearts of children.

Because of You...

STEM Club! Expands

This fall, STEM Club! launched in Vancouver and White Rock, reaching new groups of children and families. These programs combine Science, Technology, Engineering, and Math with lessons from God's Word — helping kids explore the world He made while learning about His plan for their lives.

One club leader shared: "It's incredible to see the kids so engaged — their eyes light up when they realize that the same God who created the universe cares deeply for them."

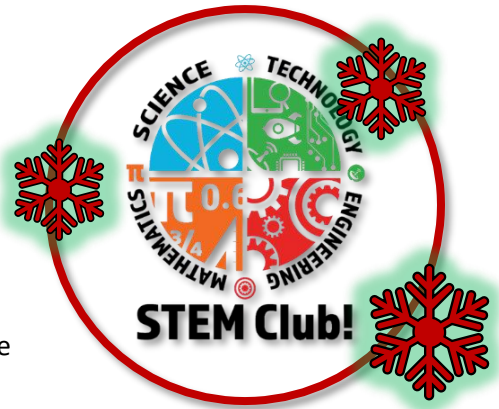

These new clubs have already opened doors for local churches to connect with families who might never have stepped into a church before. Please pray that these programs will continue to grow and that many young hearts will be drawn to Jesus through them.

Summer Ministry Impact!

Summer 2025 was filled with amazing stories of God at work! Across BC, hundreds of children attended 5-Day Club and STEMcation Camps, hearing the gospel clearly presented — some for the very first time.

Our summer missionaries and volunteers faithfully shared the message of Jesus' love in churches, community centers, and backyards. Many children responded in faith, and others began asking deep questions about God and the Bible.

One parent told us, "My daughter came home from club singing the songs and telling us about Jesus. We've started reading the Bible together as a family. Thank you for bringing this to our community!"

A Growing Team

In June, we were thrilled to welcome Leticia to the CEF BC team as our new Office Administrator! Her heart for ministry and her attention to detail have already been a huge blessing to our staff and volunteers.

Her presence has helped us serve our supporters and churches more efficiently — ensuring that communication, resources, and ministry tools reach those who need them in a timely way. We are so thankful that God provided the right person at just the right time.
