HAPPY NEW YEAR!

As we enjoyed some family time during the Christmas season, I took the opportunity to read one of my favourite book series, C.S. Lewis' *Narnia*. In one book the characters are enduring a never ending winter that never reaches Christmas. They never experience the joy of that special season.

It made me think of the boys and girls here in BC who never get to experience a life full of God's love and to be part of His family.

As we head into 2026 I'm excited for the new things we are taking on in this "the most important work." Sharing the life changing message of Jesus with kids.

PLANS FOR 2026

Because of you ...

We can jump back into things with both feet. The year is only a few weeks old; clubs have started, plans to attend conferences are being made, and summer planning is in full swing. And we are planning a few things we have never done before (stay tuned).

Thank you for being part of our team so that we can keep reaching kids with the Gospel

SAVE THE DATE

APRIL 24 – PRINCE
GEORGE DESSERT NIGHT

6:30 pm at Lakewood Alliance

Come and celebrate what God has done in 2025 and what 2026 will bring.

Also, come and celebrate Betty Andrews as she prepares to retire in May.

RSVP by April 20

P: 250-963-1440

E: bettycefbc@gmail.com

**“Children are not a distraction
from more important work. They are
the most important work.”**

MINISTRY UPDATES

STEM CLUB

From the moment I stepped into my first STEM Club and saw the kids having a fantastic time I knew we had made the right decision. We launched STEM Club a few years ago (thanks Betty) and in the fall we have added 2 new clubs.

Each week kids and leaders come together to have stories, music, Bible time, and all with the backdrop of science, technology, engineering, and math (STEM).

Kids lives are being transformed by the Gospel and it is amazing. Keep praying with us that we can launch more clubs in 2026!

SUMMER UPDATE

Each summer kids throughout BC have fun and get to

hear about who God is and what He has done for them through 5-Day Club.

Kids will be joining **The Clue Squad: Investigating the Truth of Jesus** at club this summer.

2026 is going to be so much fun. Would you consider joining us this summer?.

SPECIAL PRAYER

Will you join us in daily prayer for the kids of BC?

1. New STEM Club locations in 2026.
2. Hosts, teachers, and church partners for 5-Day Club.
3. For the many children who come to club – each with a unique story.
