NEWS – STORIES - EVENTS

The conclusion of a legendary chapter...

At the end of May, Betty Andrews will be retiring from CEF BC. Betty has ministered with CEF since the mid-seventies after feeling God's call on her life to missions at the age of 9, when she stated that she was ready to serve God any place, anytime. Over the years this promise would be tested as God asked Betty to trust Him and led her to places she never thought she would be.

It has been such a blessing to know Betty over the years (over 30 now), and I have admired her tenacity and drive to reach boys and girls with the Gospel, and to see firsthand how she has continued to follow the call God placed on her life as a child.

After beginning her ministry with CEF in 1976 in Grand Prairie, Betty moved to BC in the early 80's working in Kelowna and Abbotsford, and in 1987 she made the move to Prince George, where she has continued to work for the last 40 years!

Over the years Betty has continued to teach kids and encouraged others to get involved, running 5-Day Club, speaking at conferences, leading the team to run school Good News Clubs (Kid Zone), training in churches and young people at SMT, teaching online during COVID, and starting the first STEM Club! in BC (just to name a few things).

Betty states, “As I look back over these years of ministry, I see the faithfulness of God repeatedly. He has met all my needs through the many faithful supporters. I have been richly blessed with a large, faithful prayer team and many wonderful people to work with. There have been many highlights, but also times of discouragement. Often, the verse given to me at my commissioning service comes to mind. Joshua 1:9 “This is my command-be strong and courageous! Do not be afraid or discouraged. For the Lord your God is with you wherever you go” Indeed He has been with me through all these years! The greatest reward and joy has been reaching the children with the Gospel. I have no regrets and pray that the Lord will raise up workers for this harvest field.”

It is hard to fathom the impact that Betty has made in the lives of children and their families here in BC. She has been diligent and determined in bringing the love of Jesus to so many kids and is leaving an enduring chapter that will continue to speak into the lives of kids for years to come. What a legacy to leave those who will follow in her footsteps into a life of ministry.

Join us in expressing our deepest gratitude and best wishes to Betty. If you have messages for her, please send them through our office or reach out to her directly. Let us show her the love and gratitude she so richly deserves. Thank you for your continued support and prayers.

STEM CLUB...

A recent update
from one of the STEM
Club! programs:

“One of our helpers
had a presentation to
make bionic hands, so we
added that option into the
mix and we’ve more than
doubled in registrations
from where we started too
so it’s exciting to see the
program grow!”

There are so many
children who’s lives are being impacted by STEM Club! It is such an encouragement to see and hear about
the children we get to minister to. Thank you for your continued support and prayers. Together, we have
been able to achieve so much, and we look forward to continuing this journey with your partnership.

THIS SUMMER...

Summer is just around the corner, and this summer kids will join others as part of **"The Clue Squad"** in order to find out truths about who Jesus is.

The summer is a fantastic season to share Jesus with boys and girls!

With summer just around the corner, we will have a tremendous season teaching and equipping others to teach kids about trusting Jesus.

Please be in prayer with us as we look to local individuals and churches to host and teach clubs. We want to mobilize local people to be reaching into their own communities and the plan is to provide the 5-Day Club kit and training so that the local churches are able to conduct the clubs in their neighbourhoods.

If you believe reaching kids in your neighbourhood with the Gospel is vital – call the office to start the process!

CEF BC Monthly Giving Program

The CEF BC **"Monthly Giving Program"** is an easy and convenient way to support ministries on a regular basis which ensures the support needed to continue programs such as STEM Club!, Party Club, and 5-Day Club, happen without any financial hindrance. Commit your support today and help us offer the Good News to many unreached boys and girls here in BC.
