

Because of you...

Children across BC will be investigating the truth of Jesus this summer. From the west coast of the island to the Rockies, the Lower Mainland and the Okanagan, it is spectacular to see.

On July 2 and 3, we had a group of over 20 people gather to prepare for summer ministry. Some will do 5-Day Club, some VBS, and others STEMcation, but all will be reaching boys and girls this summer with the Gospel here in BC. We are looking forward to hearing about the impact these teams have in their communities and to be encouraged by the stories of children in club. Be assured we will pass these along when we hear them.

The team has been hard at work putting the program together, and now we can celebrate as people gather, coast to coast in Canada to prepare to teach.

Last year one pastor reported that 5-Day Club was helping them “build community and stronger relationships between volunteers and with the kids. Ava was new to church and that was great.”

Prayer Requests:

1. Pray for the kids who attend club.
2. Pray for the teachers as they prepare and teach.

Hiring:

We need to add to our team. See page 2 for details.
